

Resolution No. 33, s. '25 – '26

**RESOLUTION APPROVING THE IMPLEMENTATION OF PROJECT 3A:
COMMUNITY PRINTING FOR ALL AND DISBURSEMENT OF FUNDS AMOUNTING
TO THIRTY-SIX THOUSAND FOUR HUNDRED SEVENTY-SIX PESOS (PHP 36,
476.00)**

WHEREAS, the Camarines Sur Polytechnic Colleges recognizes the importance of providing accessible, affordable, and student-centered services that support academic excellence and organizational efficiency;

WHEREAS, printing of academic requirements such as research papers, reports, projects, examination materials, reviewers, and organizational documents remains an essential need of students across all year level and departments;

WHEREAS, many CSPCseans experience difficulty in accessing affordable and convenient printing services due to limited on-campus facilities, inconsistent pricing, and time constraints in printing shops nearby;

WHEREAS, the CSPC – Supreme Student Council proposed Project 3A: Community Printing for All, a student-centered initiative aimed at establishing an Accessible, Affordable, and Available printing hub within the campus premises;

WHEREAS, the project seeks to reduce financial burden among students, ensure timely submission of academic requirements, and promote productivity, responsibility, and efficient use of resources within the CSPC community;

WHEREAS, the project will be located at the CSPC – Supreme Student Council Office and will operate during peak academic hours to address urgent and regular printing needs of students and student organizations;

WHEREAS, the technical specifications and features of the printer to be utilized in the project are detailed in **Appendix A (Printer Description)**, and the operational guidelines, procedures, maintenance strategy, pricing scheme, and sustainability mechanism of the project are outlined in **Annex B (Community Printing Mechanism)**;

WHEREAS, to mobilize the project's objective, sufficient funding is required;

WHEREAS, an amount of **THIRTY-SIX THOUSAND FOUR HUNDRED SEVENTY-SIX PESOS (PHP 36, 476.00)** shall be disbursed by the office to fund this project. This will cover all expected expenditures, including operational, technical, and contingency expenses;

WHEREFORE, on motion presented by Hon. Jester Carl SJ. Sumpay, the SSC Property Custodian, and seconded by Hon. Jessil C. Martinez, the SSC Treasurer, be it;

RESOLVED, AS IT IS HEREBY RESOLVED, that the CSPC – Supreme Student Council approves the implementation of Project 3A: Community Printing for All for Academic Year 2025-2026 and that the necessary funds amounting to Php 36, 476.00 sourced from the office, be allocated for the procurement of equipment and other supplies needed.

ENACTED this 21st day of January 2026 at the Office of the Supreme Student Council, Camarines Sur Polytechnic Colleges, Nabua, Camarines Sur.

This resolution shall take effect immediately upon approval of its passage.

c. Printing Procedure

- i. Submission of File
- Students may submit their files via official SSC email (sscservices.cspc.edu.ph).
 - Files must be in PDF or DOCX format to prevent formatting issues.
- ii. File Verification
- The attending officer will check the file for proper page setup, orientation, and paper size before printing.
 - The student will confirm the total number of pages and the printing type (text only, with picture, or picture only).
- iii. Payment
- The student will pay the corresponding amount based on the approved Printing & Xerox Price List before the printing process begins.
 - Payments will be recorded in the daily logbook with the student's name, transaction date, and amount paid.
 - Note: Defective outputs due to machine error will be reprinted without additional charge.

d. Maintenance and Supply Management

To maintain its operation, the proceeds from the printing services will be allocated for the purchase of printing materials such as ink cartridges, bond papers, and machine maintenance supplies. Furthermore, a monthly inventory will be conducted by the project's Budget Officer, Logistics, and Auditor to ensure that supplies are sufficient and properly managed.

e. Sustainability and Transition

Before the end of the Academic Year 2025-2026, the current SSC officers will turn over the project documents, equipment inventory, and financial reports to the incoming officers. Hence, the project will continue to operate as a long-term, self-sustaining student service initiative.
