Date Conducted: **July 23, 2025 – August 3, 2025**

Venue/Place of Activity: **CSPC – Supreme Student Council Office**

Nature of Activity: ☐ International ☐ National ☐ Regional ☒ Local

Sponsoring Group/Organization: **CSPC – Supreme Student Council**

Excerpts of the Activity:

The search for the SSC Assistants and Committee Directors 2025 began on July 23, 2025, with the goal of recruiting talented and committed student leaders. These individuals would be responsible for helping to plan and execute all of the organization's activities and events for the academic year.

The initial application deadline was set for July 27, 2025, but to allow more students to apply, the project committees extended it to August 2, 2025. Following the application period, a careful deliberation process was held to determine who would move on to the next phase. All applicants were notified via email with detailed instructions for the screening process, which was scheduled for the following day.

On August 3, 2025, applicants gathered at the CSPC – SSC Office for a comprehensive screening that included both practical tests and interviews. Each applicant's practical test was tailored to the specific office they applied for. For example, those applying to the Secretariat Office were tasked with drafting a resolution and a narrative report, while Treasury and Audit Office hopefuls had to create a financial report. Property Custodian Office applicants worked on a supply and inventory spreadsheet and a report for purchasing office needs, and those for the Public Relations Office had to demonstrate their skills by creating a caption.

Simultaneously, Hon. Ann Kyla V. Aquiler, the SSC President and Student Trustee, Hon. Armando III C. Lazaro, the SSC Vice President for External Affairs, and various Office Heads conducted interviews to assess the candidates' leadership potential and qualifications. After the screening, the executive committee deliberated on the results of both the practical tests and interviews. This led to a final legislative decision, officially marking the appointment of the new assistants and committee directors who will serve the student body.

Benefits Derived:

- **Increased Student Engagement.** By allowing diverse set of students to submit their applications, this broadened the talent pool and offered more chances for students to get involved and gain leadership experience.
- **Qualified Leaders Appointed.** The two-part screening process, featuring targeted practical tests and interviews, ensured that only the best candidates were chosen. This method resulted in the appointment of a skilled team with the specific abilities required for their roles. Improved
- **Organizational Effectiveness.** The CSPC – SSC is now better positioned to carry out its projects. The new assistants and directors will bring fresh ideas and specialized knowledge to their offices, improving the overall efficiency of the organization's activities and events.
