Excerpts of the Activity:

The CSPC Supreme Student Council (SSC) successfully conducted the EduChoice Awards 2025: CSPCeans' Choice for Best Educators on October 27, 2025, at the CSPC Gymnasium, immediately after the flag ceremony. The activity was held in celebration of World Teachers' Day and aimed to recognize and honor outstanding educators as chosen by the students.

Preparations for the event began on October 14, 2025, when the working committee created a Google Form to serve as the platform for student nominations and voting. The casting of votes officially opened on October 16, 2025, with the form disseminated by the Public Relations Officers through the college governors' group chat.

Furthermore, a creative appreciation video was produced in collaboration with the College Student Councils, featuring messages of gratitude for the teachers. The video shoot took place from October 22 to 23, 2025, followed by the editing process, which was completed by October 25, 2025.

The Google Form was closed on October 24, 2025, at 12 noon, and the responses were tabulated using a Python-based system by the project officers to ensure accurate and efficient results.

On the same day, the CSPC Broadcasting Director approved the request to hold the awarding ceremony after the flag ceremony on October 27, 2025. The winners were immediately notified via email.

The awarding ceremony commenced at 8:00 AM and opened with the presentation of the appreciation video produced. The video served as a prelude to the highlight of the event: the announcement of winners for both the Overall Best Educators and College-Based Best Educators categories.

Majority of the awardees were present during the ceremony and personally received their certificates and tokens of appreciation—a rice cooker for the overall winners and a gadget bag for the college-based winners. Absent awardees were represented by their respective college deans, who received the prizes on their behalf.

The winners are as follows:

NAME	COLLEGE

The event concluded with a round of applause from students and teachers who were present.

Benefits Derived:

- **Recognition of Excellence.** The program provided an avenue for students to express appreciation toward their teachers, which boosted faculty morale and motivated educators to continue delivering quality instruction and service.
- **Enhanced Student Engagement.** Through the voting and nomination process, students became actively involved, promoting a sense of democratic participation within the campus community.
- **Promotion of a Culture of Appreciation and Gratitude.** The activity cultivated a positive academic environment where appreciation and acknowledgment of hard work are valued, inspiring both students and educators to uphold excellence and commitment within the institution.
